

1929 Rolls-Royce Phantom II

Six Seat Limousine - Coachwork by Rippons.

Regarded by most authorities as the finest Rolls-Royce model of all, this particular 1929 Phantom II was exhibited at the Olympia Motor Show where it was the most expensive vehicle on show that year.

This rare and magnificent limousine, with its large and imposing quality vintage coachwork, was designed to carry up to 7 passengers in sumptuous style and comfort. Finished in ivory and black with fawn buttoned cloth seats, spring blinds and auxiliary revolving armchair seats, this is a truly unique car to be seen in on your wedding day.
