

# 1957 Rolls-Royce Silver Cloud

Seats Three/Four Passengers.

Interior of the Silver Cloud

Recommended 2nd cars

This classic Rolls-Royce was the company's last traditionally built vehicle prior to the advent of the Silver Shadow in the 1960s.

The graceful lines of the Silver Cloud, together with its exceptional ride quality, combine to make this the most elegant of cars for your wedding day.

Finished in ivory with pale green leather interior.
