

Daimler DS 420

Seven Seat Limousine

Interior of the
Daimler DS 420

These large and extremely spacious vehicles are especially suited as second cars to any of our vintage cars. All are fitted with fold-down occasional seats, (providing a seating capacity of up to 7 adults) and also with a glass division behind the chauffeur's seat.

We have three Daimler DS 420s available in ivory, so it is possible to book a matching pair of cars.
